# COMMUNITY PROFILE

## GROWTH

Bryan County is the fastest-growing county in Georgia and the sixth-fastest growing in the United States, according to U.S. Census Bureau data. The County has grown by 48 percent, or more than 14,000 people, since the 2010 Census. Thanks to the planning and forethought of Bryan County leaders, the area's growth has been organized without unnecessary strain on the current resources. The Comprehensive Land Use Plan, updated in 2018, provides guidance for the physical growth of the

county through the development of sound plans, programs and policies. In addition to population estimates, the plan reflects local residents' suggestions and requests.

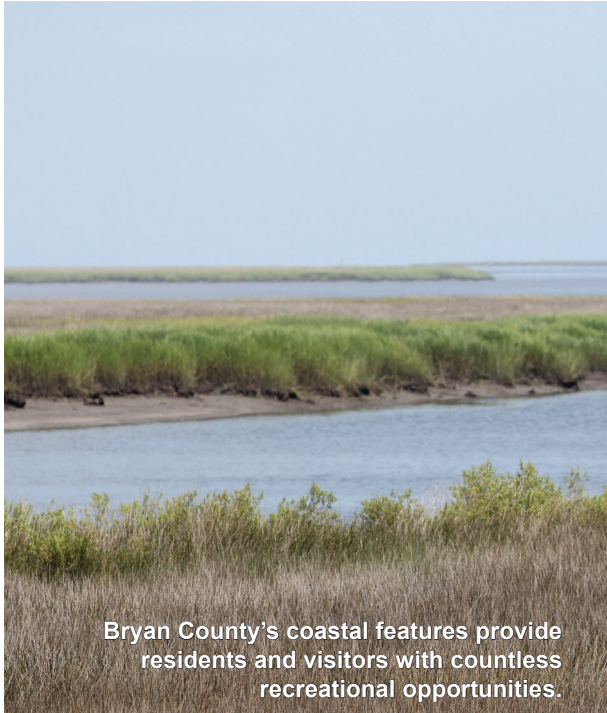

The Georgia Governor's Office of Planning and Budget expects Bryan County's growth pace to continue into 2050. A large part of what draws people to the region is the agreeable climate and proximity to the coast, which presents many opportunities for economic growth and recreational enjoyment.

To keep up with Bryan County's growth, local leaders have planned for additional community and infrastructure development.

## THE COAST

New residents and visitors from all over the country are drawn to Bryan County thanks to its easy access to fresh-water rivers and the Atlantic Ocean, historical attractions, state parks and recreational facilities, beautiful scenery, and peaceful daily life. To protect those coastal resources and the economic benefits they provide, Bryan County ensures that new development patterns are consistent with the goal of preserving greenspace and open space. Furthermore, the county devotes time and energy to the enforcement of environmental codes and supports the existence of vegetative buffers along scenic routes to minimize the effects of development on natural aesthetics.

Bryan County's coastal features provide residents and visitors with countless recreational opportunities.

## MILITARY

The geographical division that is created by Bryan County being divided by Fort Stewart yields two different environments for growth. The southern portion consists of large master planned communities as well as marsh-front property. The northern portion consists of more rural growth and traditional single-lot development. Bryan County is proud that so many military members call our community home, and county leaders understand the importance of planning for increased infrastructure needs created by the proximity of Fort Stewart.

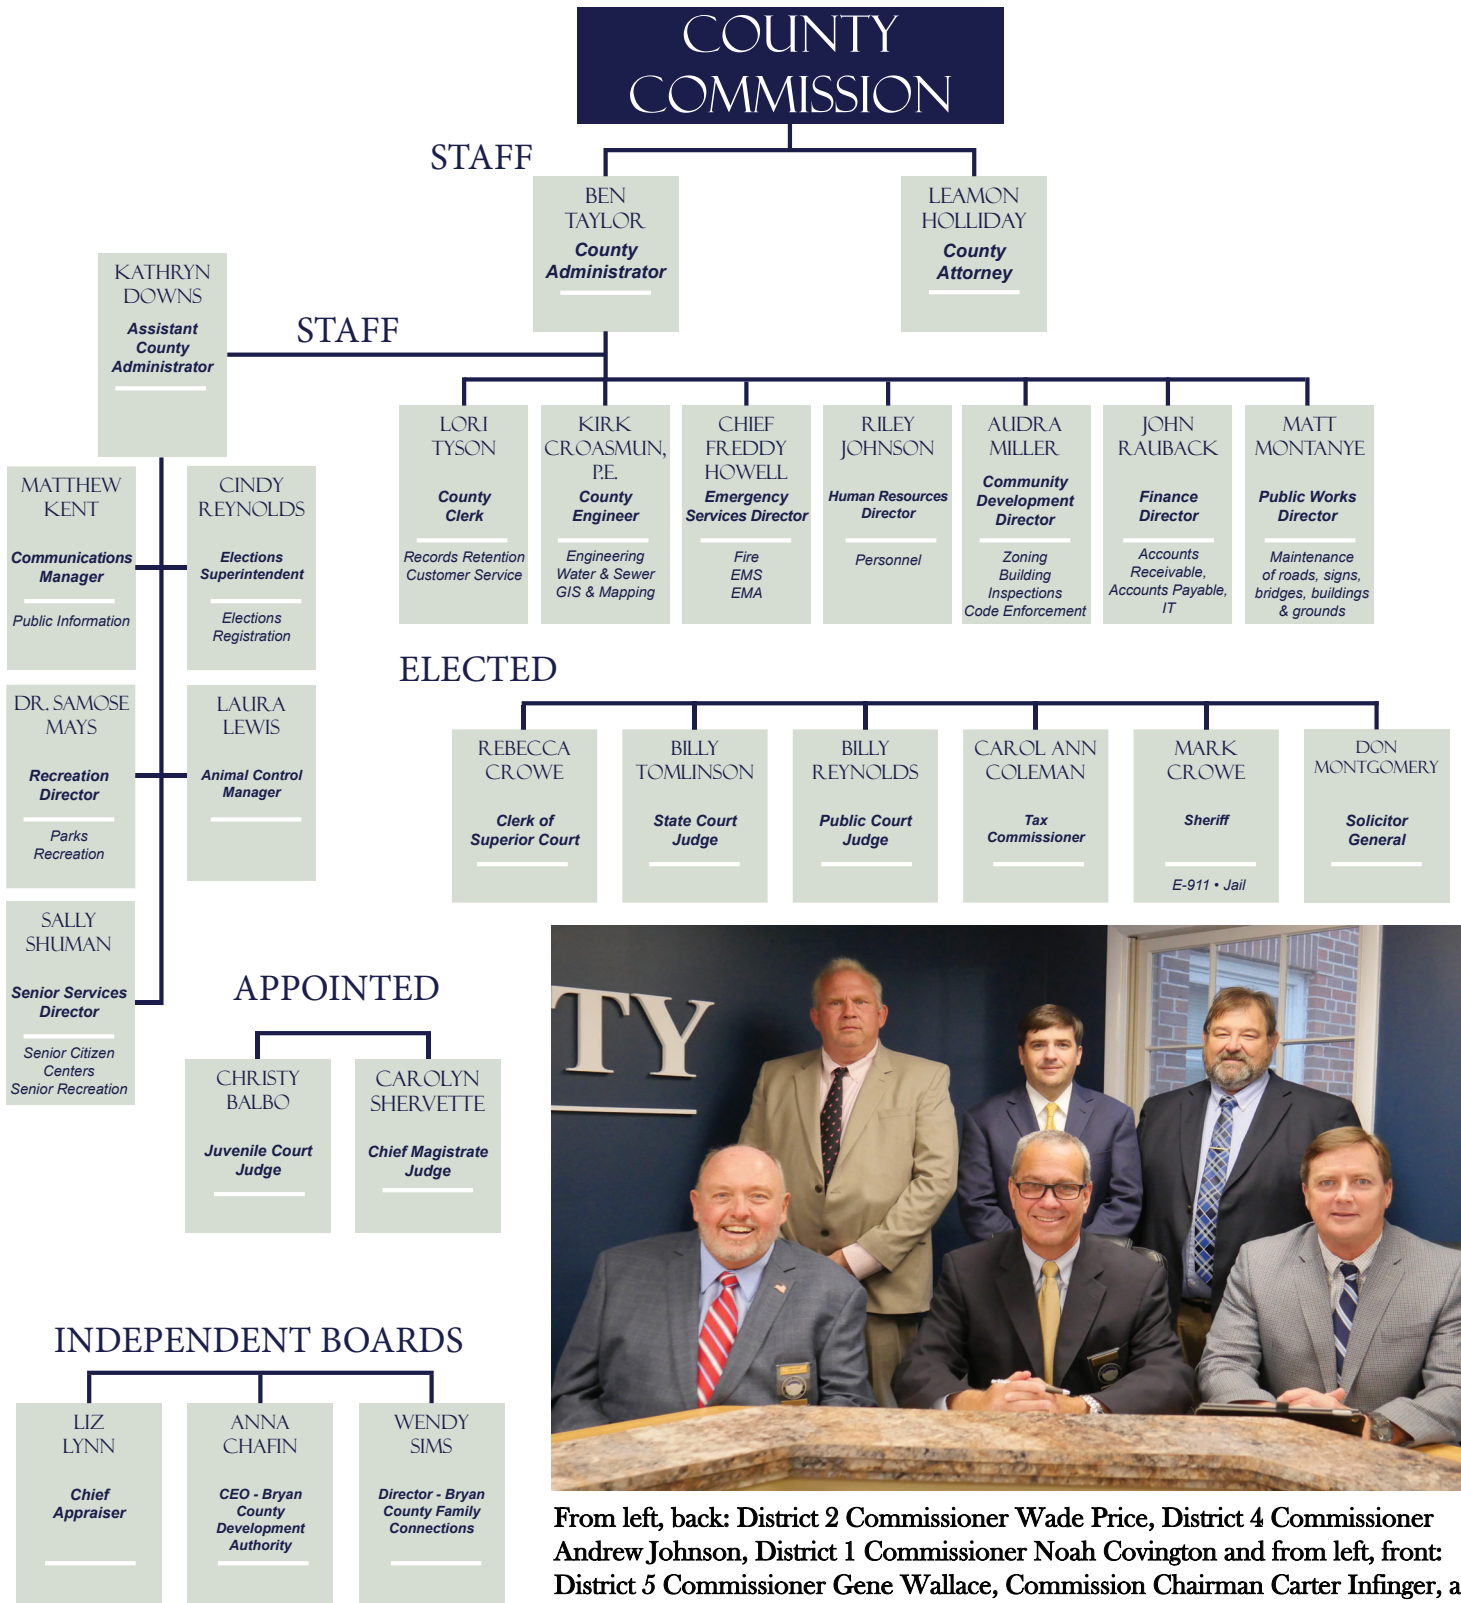

Capt. Matthew Freeman Drive was named to honor a U.S. Marine from Bryan County who lost his life serving his country in Afghanistan in 2009.

Fort Stewart/Hunter Leon employs over 25,500 people, making it one of the largest employers in the area. 21,200 full-time soldiers, 4,350 Army civilian workers and contractors, and more than 19,000 military retirees call the local communities home. The installation has a combined economic impact of \$4.9 billion in Coastal Georgia. Military and civilian pay contributes over \$1.4 billion to the economy. Retiree income adds an additional \$164 million, according to the most recent economic impact statement on mybaseguide.com. Bryan County is grateful to feel the economic benefit of these numbers.

To accommodate military growth, Bryan County works to ensure that families' educational needs are met, housing is plentiful, and development keeps up with demand.

# COMMISSION'S VISION & GUIDING PRINCIPLES

The Bryan County Board of Commissioners strives to continually improve - in the most cost-effective manner - the services provided to residents of Bryan County and protection of the overall public good. The commission understands that Bryan County must be a dynamic, vibrant community where residents and visitors alike can take advantage of economic opportunities, live in safe neighborhoods, and enjoy plentiful green space and recreational facilities. The commission is committed to partnering with others in our community who share a dedication to making life better for Bryan County citizens. The commission believes in responsible stewardship of public resources and works hard to cultivate a customer- focused government that is fiscally responsible and capable of delivering services that ensure a top-notch quality of life.

## THE BOARD OF COMMISSIONERS UPHOLDS THIS VISION BY ADHERING TO FOUR SIMPLE STANDARDS:

### **1. Being good financial stewards of public funds**

This means budgeting responsibly and carefully planning how and when funds are spent on projects, services and other needs. Financial and economic management is imperative to the continued well-being of the county and those who reside and work in it. Our hired staffers and elected officials look closely at the procurement process and hold department heads accountable for the choices that they make and those made by employees they supervise.

### **2. Providing consistent delivery of services**

The provision of public services - such as road maintenance, education, sanitation and court systems - is a key task for government. Public services account for a large proportion of the county's budget, and residents care about public services and depend on them being delivered well. Bryan County understands that services need to be delivered with integrity, centered around citizens, and responsive to their needs - particularly the needs of the most vulnerable. The commission promotes great transparency in government and is committed to reliable and consistent delivery strategies.

### **3. Promoting a standard of excellence among local governments**

The Bryan County Commission is focused on the value of professional management and local government leadership. Maintaining public awareness has a big impact on the quality of life in our communities. It's a responsibility the county leaders do not take lightly, which is why they go to great lengths to demonstrate their commitment to honorable and ethical behavior, responsible actions, and holding those who report to them to the highest possible standards.

### **4. Acting transparently and responsively to the needs of our residents**

In Bryan County, leaders believe residents should be able to access information on how their tax dollars are spent, which is why all relevant and important documents are available for download on our website. From the annual budget documents to the county's Comprehensive Land Use Plan, governing documents are readily available to the public. To create those documents, we listen to the needs of our residents and take into consideration input and insights we gather from them through public forums, online surveys, and comments made to local elected officials.

# MEETING EXPECTATIONS ASSOCIATED WITH GROWTH THROUGH COLLABORATION

Bryan county is determined to meet the needs of its growing population at every level – through services provided, career opportunities, housing options, recreational outlets and well-organized infrastructure. One such way to accomplish these goals is by collaborating with our neighbors in nearby communities to bring mutually beneficial projects to fruition.

## BRYAN COUNTY'S REGIONAL ECONOMIC DEVELOPMENT COLLABORATION BENEFICIAL TO BUSINESSES, RESIDENTS

Bryan County's current and past collaborations with neighboring communities on several large projects are generating impacts felt at state, regional, and local levels. Most recently, the county made headlines by closing on the sale of a 2,284-acre economic development mega site in partnership with the State of Georgia and the Savannah Harbor-Interstate 16 Corridor Joint Development Authority (JDA). The purchase of the Bryan County Mega Site is the largest in state history.

While that may be the largest endeavor on the county's record, it certainly is not the first – and it won't be the last. Bryan County has been working in collaboration with neighboring jurisdictions, economic development entities, and state partners for years to bring lucrative projects to the area. Plans to capitalize on these successes and continue the momentum are already under way.

### COLLABORATION PAYS OFF

Coastal Georgia's ability to attract profitable industries and impactful projects is something that did not go unnoticed by the people who run the counties comprising the area. About five years ago, the decision was made to harness that power and market it internationally. The Savannah Harbor-Interstate 16 Corridor Joint Development Authority (JDA) was born. The entity is made up of Bryan, Chatham, Bulloch, and Effingham counties.

Not only have Bryan County and its neighbors become home to several national and international companies, the area also now boasts several smaller "off-shoot" companies.

"When a large manufacturer sets up here, the smaller companies that support it also tend to open facilities. For example, if a big car maker opens an assembly plant, then usually, all the smaller suppliers that make components for the cars – things like axles or seats – will set up in close proximity to the large manufacturer," Bryan County Commission Chairman Carter Infinger said. "So, we get a lot of jobs from the large new company itself, as well as from the smaller

places that come to support it. The JDA works on bringing big industries here because we know the impact from one place choosing to open here will be felt far and wide, and for a long time."

While local leaders don't know yet what company will eventually set up on the mega site, Chairman Infinger is confident it will be an impressive business whose location in Bryan County will have profound regional significance. The chairman estimates it will create between 10,000-20,000 jobs and draw from the workforce up to 60 miles away.

### PLANNING FOR THE FUTURE IS KEY

Additionally, Bryan County and its regional partners, particularly the City of Savannah, are collaborating on a regional water and wastewater strategy that will help to serve the growth spurred by the region's attractiveness to industries. This collaboration on infrastructure is helpful in a variety of ways. The increased development of industrial property will represent a significant investment of private capital into Bryan County, and the proactive steps the county is taking to upgrade the water and sewer infrastructure now will be helpful in making these investments happen.

County Administrator Ben Taylor stressed that organized growth and increased infrastructure must go hand-in-hand. They are equally dependent on each other.

"You cannot attract industries to the area without the infrastructure in place to support them," Taylor said.

That high quality of life Bryan County is known for is an asset in the immediate area, as well as for the broader region. When conducting market research before choosing a location, companies typically look at a wide array of mitigating factors. A happy, thriving workforce to draw from means productivity and success for the company, so industries study lifestyle factors as much as they do corporate logistics.

## NEWLY COMPLETED & ONGOING PROJECTS

Thanks to careful fiscal planning and responsible spending, Bryan County was able to successfully implement and launch several projects in 2021, these include:

- The Interstate 95 interchange at Belfast Keller Road officially opened to traffic in all directions in January 2021.
- The Highway 144 widening project was completed in August 2021. The improvements stretch from Timber Trail to Belfast River Road (4.7 miles) and include a four lane roadway, three foot bike lanes and sidewalks on each side of the road.
- The Devaul Henderson Park Gym & Fields. This project includes the construction of 2 multi-purpose grass fields and a gymnasium which contains 2 full-size basketball courts. Due to a favorable bid for the project, a phase 2 plan has been developed that includes the addition of 2 baseball fields, concessions and restrooms. This project is expected to be completed in early 2022 and is being funded by SPLOST funds and financing methods secured by the county.
- The 2021 road-resurfacing project is currently under way. It involves the resurfacing of Belfast Keller Road, Bent Tree Way, Oak Creek Court, Oak Side Court, Jerusalem Church Road and the paving of Seascape Road.

**A new gymnasium (rendering shown here) is currently under construction at Henderson Park.**

- The Savannah Sewer Main Connection project is a multi-year initiative to provide additional sewer capacity to the Bryan County Industrial Park and its adjacent region. The survey for this project is complete and engineering services are under way.
- The Northern Land Application System Water and Sewer Expansion Project is a planned expansion necessary to provide 95,000 gallons per day capacity, in order to meet sewer obligations for Interstate Center and the surrounding region. Construction is currently under way and the project is nearing completion.
- The Richmond Hill Library Renovation Project will expand and renovate the Statesboro Regional Public Library Building located in Richmond Hill. The Library Committee has selected a concept plan and has reviewed concept elevations. The project is in design development, which is scheduled to be completed soon.
- The Highway 144/Oak Level Road intersection was identified by Thomas & Hutton in the 2016 Regional Transportation Study as possibly needing attention. Through a cooperative effort with the Georgia Department of Transportation, a study was then conducted to determine what the appropriate interchange improvements should consist of. Engineering for the project is underway.
- Bryan County Fire and Emergency Services now has a permanent helicopter landing area next to BCFES Station 1 on Highway 144 in South Bryan County. The zone is marked by four red and green lights and a windsock that identifies it as a landing area for helicopters. Thanks to the windsock donation from LifeStar Georgia Air Ambulance and the new setup, the area is compliant with Federal Aviation Administration helicopter landing zone requirements.

# 2022 BUDGET HIGHLIGHTS

Like the 2021 budget, which allowed for the completion of many important projects, the 2022 budget has also been carefully crafted and includes funds dedicated toward the accomplishment of several more beneficial community projects. Many of these major initiatives will begin soon, including:

- The Pedestrian/Multimodal Improvements project. This project will involve the construction of pedestrian/multimodal facilities, such as bike lanes, sidewalk connections and walking paths, in the unincorporated areas of the county.
- The Highway 280/Wilma Edwards Road intersection project. This project entails the construction of a roundabout at the intersection of Highway 280 and Wilma Edwards. Construction is tentatively expected to start in January/February 2023 and should be complete around December 2023.
- A roundabout at the intersection of U.S. 80 and U.S. 280 has been recommended, based on the anticipated traffic demands from the proposed development in the North Bryan area, along with potential future demands in the area.
- A traffic signal at the intersection of U.S. 280 and Orcal Parkway has been recommended due to the current and anticipated traffic demands at Interstate Centre.

Road resurfacing and pavement evaluations are two major projects that will take priority in Bryan County in 2022.

- A Pavement Evaluation which will help to prioritize future paved road resurfacing and repair projects to ensure the roads most in need of attention are attended to first.
- A large portion of the 2022 budget is dedicated to the effort of continually improving the county's emergency services and law enforcement capabilities for our citizen's wellbeing. This budget includes an additional market stabilization salary increase for paramedics and EMTs. Following the trend of the increase for fire and EMS positions last year, the FY 2022 budget increases the starting salary for post certified law enforcement positions to a more competitive rate in our area.

# TYPES OF FUNDING

## *UNINCORPORATED SERVICES*

are services that are provided primarily for the benefit of residents and property owners in the unincorporated areas and tend to include municipal type services. These services are funded through revenue collected exclusively from the unincorporated areas of the County to ensure equity in taxation and service delivery. Unincorporated revenues include, but are not limited to: fire fees, solid waste fees, insurance premium tax, building permit fees, alcoholic beverage taxes, and business licenses.

## *COUNTY-WIDE SERVICES*

are categorized as services that are delivered to residents in the unincorporated areas and the cities within Bryan County without distinction or disparity. These services are the core services that counties must provide their citizens that are either mandated by the State of Georgia or by the necessity of the quality of life demanded by our citizens. Financing the delivery of these services is an assortment of revenues collected county-wide from the citizens of Bryan County in the form of property taxes, sales tax, motor vehicle tax, fines, EMS fees, recreation fees, and more.

FUND NAME	REVENUES	COST OF SERVICES
General / County Wide Services	\$30,710,600	\$30,710,600
Unincorporated Services	\$7,689,500	\$7,689,500
Special Funds	\$34,542,750	\$34,542,750
Minor Funds	\$333,150	\$333,150

## *SPECIAL FUNDS*

are comprised of funds with revenue sources whose use is restricted to specific purposes or activities. The primary reason for establishing separate special funds is to demonstrate accountability and transparency when tracking cash inflows and outflows for special purposes. Through the special revenue funds, Bryan County ensures it maintains the accountability for specially-allocated revenues. Revenues included in the Special Funds include: E-911 Surcharges; Water/Sewer user fees; Special purpose sales taxes (SPLOST and TSPLOST); Transportation Impact Fees, and American Rescue Plan grant funds.

## *MINOR FUNDS*

are comprised of the county's smaller dollar funds that do not contain the minimum 10% of county funds to be considered major funds. A large portion of revenues reported in minor funds are derived from add-ons to fines which are established by Georgia code with associated restrictions on their use.

**Bryan County Recreation Department plans call for adding new multi-purpose fields at Henderson Park. Construction on the project is now under way.**

# SPLOST & TSPLOST

## SPLOST

### Special Purpose Local Option Sales Tax

This is an extra 1% sales tax voted on by the citizens of Bryan County for special projects. Bryan County is currently three years into a six year SPLOST cycle.

SPLOST has already raised in excess of \$25 million in revenue, which is divided among Bryan County and the cities within (Pembroke and Richmond Hill). Based on actual collections Bryan County is estimated to receive over \$30 million in SPLOST collections during this cycle to be used for capital projects.

SPLOST drastically increases funding to emergency services and public safety in both facilities and capital equipment. This cycle dedicates almost \$1.6 million to public safety to continue the trend of facility and equipment updates to better serve citizens and the 100 employees who serve with Bryan County Public Safety. Almost 18% of the County SPLOST share is dedicated to economic development, which leads to more jobs. In addition, over \$3.8 million is allocated to transportation related projects with over 300 miles of roadways to maintain, SPLOST is one of many funding components of the county's transportation plan.

SPLOST has funded projects over the last 30 years, such as Hendrix Park in North Bryan, Henderson Park in South Bryan, the County Administrative Complex, the Dixie Harn Community Center/Miller Teen Center in Pembroke and the Richmond Hill City Center, to name only a few.

## TSPLOST

### Transportation Special Purpose Local Option Sales Tax

This is an extra 1% sales tax voted on by the citizens of Bryan County for transportation projects.

Bryan County for transportation projects. Bryan County is currently three years into a five year TSPLOST cycle. The 1% tax will raise about \$27.5 million for Pembroke, Richmond Hill and Bryan County.

The unincorporated county's portion of TSPLOST will total approximately \$15.7 million and will be spent on public works capital equipment, intersection improvements, along with resurfacing projects countywide. A portion of the revenue is also earmarked for non-motorized enhancements such as pedestrian, bicycle, and trail projects.

Earlier this year, Bryan County Parks and Recreation and the Georgia Department of Natural Resources installed new signs on the Greenway Trail near the Henderson Park entrance. The county is putting together a bike and pedestrian plan with the goal of providing more pedestrian and cycling options to area residents and visitors.

# AUTOMOTIVE MAINTENANCE SHOP

Designed to meet the needs of all county department vehicle repairs and maintenance, the department coordinates with the department heads in an effort to ensure all repair and maintenance costs stay inside budgetary guidelines. The maintenance shop provides professional and courteous service, while efficiently performing their duties on all county vehicles.

## 2021 Accomplishments

- A new Fleet Maintenance Superintendent was hired.
- Public Fleet Advisors performed a review of the County’s fleet data and reports within the County’s Fleet Management Information System (FMIS). PFA’s mission was to review and evaluate the fleet operation to maximize potential efficiencies, effectiveness.

## 2022 Budget Highlights

- The Fleet Maintenance Superintendent will be working on the improvement opportunities that were identified as needing improvement by Public Fleet Advisors.
- The Public Works Department will be looking into opportunities to open a satellite automotive shop on the south end of the county in an effort to eliminate using outside services for routine preventive maintenance.
- One additional Mechanic position has been added, 1 position was transferred from Public Works giving the automotive maintenance shop a total of 7 full-time positions.

# BRYAN COUNTY PUBLIC FACILITIES AUTHORITY

Bryan County Public Facilities Authority was created with House Bill 559 during the 2019 legislative session. This bill passed through the Georgia House and Senate and was signed by Governor Brian Kemp thanks to a lot of local support and help. The board consists of five members which are Chairman Dr. Gene Wallace, Doyce Mullis, Jr., Sean Register, Pam Gunter, and Gary Stanberry, plus Bryan County Administrator Ben Taylor and Finance Director John Rauback.

Under Georgia law, a local government is prohibited from entering into long-term contracts to spend public funds beyond one year, however by contracting with another governmental body, like the Public Facilities Authority, the County is able to enter into such contractual agreements.

This newly created Authority will allow the County to borrow money at very low interest rates for facilities needed by the County, such as fire stations and recreation department gyms. Typically, a facilities authority helps communities’ access low-cost financing for capital projects through the issuance of tax-exempt revenue bonds. Authorities make low-interest loans available to a finance infrastructure that might otherwise be unaffordable to communities if they had to borrow money for the projects at market rates.

Since its inception, Bryan County Public Facilities Authority has issued the following debt:

- Issued a Series 2019 bond for \$21,000,000 for Improvements @ Henderson Park, Fisherman’s Co-op, & Fire Stations 1 & 9, at 2.19% for 15 years with ZMFU II, Inc. (Zions Bancorporation, NA).
- Issued a Series 2020 Refunding Revenue bond for \$16,500,000 for the Bryan County’s Series 2019 bond (listed above) at 1.13% for 15 years with JP Morgan Chase Bank, Na.

## 2021 Accomplishments

- Issued a Series 2021 bond for \$29,500,000 for Bryan County Water & Sewer Projects at 1.62% for 15 years with Raymond James Capital Funding, Inc.

# CLERK OF COURT

The Clerk of Superior Court was established in the Constitution of the State of Georgia. The Clerk is one of four constitutional officers who can be found in each of the 159 counties in the state. Clerk of Court is an elected position serving the Superior, State, Magistrate and Juvenile Courts in Bryan County. The Clerk and Deputy Clerks are custodians over the land and property records of the county, as well as the civil and criminal files and records in the courts served. With a staff of 10 employees, the Clerk further serves as the Jury Clerk for Superior and State Court. Notary commission and passports are also processed by the Clerk of Superior Court. Accomplishments last year in this department included a continued effort to convert many of the vital documents that this department holds into a digital format as well as a complete makeover of the Bryan County Courthouse located in Pembroke.

## 2021 Accomplishments

- All plats recorded in the Clerk's Office have been indexed and scanned and are available to the public on the GSCCCA website.
- All deeds from 1946 to present are indexed and scanned into our local system and are available on the GSCCCA website.
- All criminal and civil cases from 1994 to present have been indexed and scanned into our local system and may be accessed by the public on-line thru the Bryan County docket search.
- Currently e-filing real estate and civil filings and anticipate e-filing criminal filings in 2022.

## 2022 Budget Highlights

- Retirement expense has increased due to two additional employees becoming participants in 2022 (employees become participants once employed for 3 years).
- Staff payroll has been increased by 5%, this increase is offset with \$30,000 in savings from deed indexing which will be funded from the Clerk's general purpose account.

# COUNTY GOVERNMENT

The Bryan County Board of Commissioners make up the county's governing authority which directs and controls property, levy taxes, adopt county budgets, develop and maintain county roads and bridges, and handle many other functions related to the health, safety and welfare of the community. This budget includes the operations of the County's administrative staff which includes the County Administrator, County Clerk, Finance Department, Human Resources, Customer Service, and Public Information.

## 2021 Accomplishments

- Added an Assistant County Administrator, a Communications Manager, a Special Project's Manager and an additional IT analyst.
- Implementation of the American Rescue Plan Act and 2021 required data submissions resulting in over \$3.8 million in grant funds for the county.
- Continued enhancements to the county's safety program to include monthly training for employees.
- Completion of the 2020 year end audit with no audit findings.
- Formation of the FY 2022 Annual Budget.
- Financing of a \$29.5 million water/sewer bond for the North Bryan Sewer/Water Main project.
- Submission of the State Fiscal Recovery Fund Water/Sewer Infrastructure Grant.

## 2022 Budget Highlights

- Addition of 2 finance positions - a payroll accountant and a grants/procurement accountant. The addition of these positions will allow staff to better implement capital projects needed for the county's population growth.

The scope of influence of the Development Authority of Bryan County (DABC) is to initiate, develop, and coordinate industrial development efforts to achieve and sustain the optimum quality of life for all Bryan County residents. Accomplishments last year for the Development Authority included announcing the location of Medline Industries in Belfast Commerce Park in Richmond Hill, which will lead to the creation of 150 quality jobs and nearly \$70 million in investment added to the tax base. Additionally, the developer CRG completed its first building in Interstate Centre II, which represents an investment of just over \$32 million.

## 2021 Accomplishments

- DABC has worked 43 new industrial recruitment projects as well as nine projects that were continued from previous years. Of these new projects, 15 required formal responses to requests for information (RFIs).
- The DABC has hosted a total of 30 meetings with prospective companies interested in potentially locating operations in Bryan County and met with existing industries in the community 33 times.
- DABC assisted with the acquisition of the Bryan County Mega Site by the Savannah Harbor I-16 Corridor Joint Development Authority, the sale of three tracts of property, and the establishment of DABC social media accounts.

## 2022 Budget Highlights

- Bryan County’s 2022 contribution to the DABC remains the same as the 2021 contribution.

The Elections and Registration Office is responsible to the Bryan County Board of Elections and Registration, who are appointed by the Bryan County Board of Commissioners. The department conducts all local, state, and national elections held in the county. It also conducts all special elections, Bryan County Board of Education elections, and contracted Bryan County municipal elections. The department operates 10 precinct polling locations on each of the countywide election days. It fields 40 trained poll workers per countywide election, depending on the type of election. With 3 full-time employees, the department maintains registration records of approximately 30,000 voters, registers new voters and removes legally unqualified voters from the registration list. Voter registration is done at the main office and several satellite offices, as well as through the mail.

## 2021 Accomplishments

- Three elections were held in 2021, the U.S. Senate run off race, the City of Richmond Hill election, and the ESPLOST election
- 1,951 new voters have been registered in 2021, there are currently another 473 pending registrations.
- The Secretary of State implemented a new system to remove duplicate voters with voting activity

showing up in other states. Currently in the process of updating the roll utilizing this system.

## 2023 Budget Highlights

- The payroll has been increased for 2022 due to the additional seasonal employees that will be required for the multiple 2022 elections.

## FAMILY CONNECTIONS

Bryan County Family Connection is a part of Georgia Family Connection Partnership, a statewide initiative of 159 community collaborative partnerships. The BCFC Collaborative has built a team of diverse partners committed to improving the quality of life in Bryan County. Our collaborative coordinates a strategic planning process that identifies needs and resources, sets goals and priorities, evaluates programs and practices, and measures and reports results for Bryan County. Based on the strategic planning process they also provide resource referral and coordinate direct services in order to bridge gaps in services (ex: Community Food and Clothing Bank, RH Community Teen Center, Backpacks and school supplies, Empty Stocking Fund, BC Service Centers, CHINS Program, and Case Management).

### 2021 Accomplishments

- Bryan County Family Connection collaborative strategic planning process identified two priorities to create intentional focused work.
  - Improve the stability and self-sufficiency of Bryan County families by coordinating programs and services.
  - Improve access to mental and behavioral health and substance abuse supports and services for children, youth, and families in Bryan County.
- Bryan County Service Centers offered space for fifteen community partners to provide services to Bryan County residents, including Mental Health, Legal Aid services, Med Bank, Homeless prevention, utility and rental assistance, and others.
- Community Food Bank provided food assistance for 2,150 people in 2021. Program operates on donations from community and faith-based organizations. Volunteers logged 1500 community service hours in 2021.

Forestry Commission is responsible for providing leadership, service and education in the protection and conservation of Georgia/Bryan County's forest resources. Services provided include fire detection, wildfire suppression, and prevention services.

## 2021 Accomplishments

As of July 2021 Georgia no longer requires a burn permit to burn hand piled debris. New requirements added to the law put the citizen in full charge of the burn and require that you follow five practices to legally burn yard debris:

- **S**pace - Burn pile must be at least 25 feet from existing brush/woodlands
- **S**pace - Burn pile must be at least 50 feet from any structure
- **T**ime - Burn can only take place from sunrise to sunset
- **A**ttendance - Person responsible for the burn must stay on site until fire is extinguished
- **R**easonable Precautions must be taken including:
  - Pressurized water source
  - Man-made or natural barrier
  - Hand tools / Fire containing equipment
  - Weather awareness

## Bryan County Environmental Health Department

The Bryan County Environment Health Department reports directly to the Bryan County Board of Health and regulates the following programs: Body Art, Food Service Restaurants and Mobile Food Units, Public Swimming Pools, Tourist Accommodations, Onsite Wastewater, and Rabies Control (supported by Bryan County Animal Control). Routine inspections for Body Art, Food Service, Public Swimming Pools, and Tourist Accommodations facilities are conducted, at a minimum, twice annually. In addition to routine inspections, this department issues, on average, 180 septic system permits annually. Final septic inspections are conducted for all new septic installations and repairs. Approximately 100 existing septic systems are evaluated, 60 water samples are collected, and 15 complaint investigations occur annually.

## Bryan County Clinical Health Department

The Bryan County Clinical Health Department provides services such as Immunizations, Child and Adult Health, Family Planning, Perinatal Case Management, Breast/Cervical Cancer Program, Tuberculosis Treatment/Screening, WIC, and more. The Bryan County Public Health offices also provide car seat education/checks as well as issuing car seats to qualifying individuals. The department stays active in the community by participating in National Night Out, Breast Cancer Awareness activities, and the yearly school flu program.

### 2021 Accomplishments

- Due to COVID-19, the Environmental Health staff was tasked with supporting the Clinical Health Department to assist with testing and vaccinations.
- With the support from the County Administrator and Bryan County Emergency Services, the department was able to provide services during COVID-19 ranging from the early days of testing through the rapid changes of vaccine availability.
- The Bryan County Health Department has administered 10,706 COVID vaccinations from July 2020 through July 2021.

# JUVENILE COURT

Juvenile court exercises jurisdiction in cases involving delinquent, unruly, and deprived children under 17, and deprived children under the age of 18. Juvenile courts have concurrent jurisdiction with the superior courts in cases involving capital felonies, custody, child support cases, and proceedings conducted to terminate parental rights. All juvenile court proceedings are closed to the public and all files pertaining to cases are confidential. Cases appealed from the juvenile court may be heard by the Court of Appeals or the Supreme Court, depending upon the specific matter.

## 2022 Budget Highlights

- Court reporter expenditures and public defender expenditures were increased based on 2021 actuals.
- Funds have been budgeted for a counseling program due to the increase in truancy cases.

# LIBRARIES

The Bryan County libraries provide excellent general and specialized information resources to people of all ages by well- trained staff that collects, organizes, and provides access to extensive print and media collections as well as web-based databases, and other state-of-the-art technology. Traditional library services and innovative programming are provided in an attractive, welcoming, and comfortable environments. Bryan County provides operational funding to both libraries located in Pembroke and Richmond Hill. The facilities are also owned and maintained by the Bryan County Board of Commissioners.

## 2022 Budget Highlights:

During the 2021 budget process Bryan County Commissioners agreed to provide an additional \$125,000 in funding to the Bryan County libraries. This \$125,000 is spread over three budget years equating to approximately \$41,700 of additional funding each year. This additional funding will be utilized by the libraries to provide additional staff and enhance the pay structure for current employees.

# MAGISTRATE COURT

The Magistrate Court plays an important role for the people in the community. The court provides assistance to individuals in civil and criminal actions. The Magistrate Court serves the area of Bryan County which encompasses the cities of Pembroke, Richmond Hill, Ellabell, and all communities within Bryan County. Magistrate Court’s jurisdiction includes civil claims of \$15,000 or less, dispossessory proceedings (landlord/tenant), county ordinances, animal control ordinances, garnishments, civilian pre-warrants, good behavior bonds, abandoned vehicles, applications for and the issuance of arrest and/or search warrants, and first appearance hearings. The Magistrate Court does not hold jury trials and is not a court of record. Any appeals from judgments in civil cases are made to the Superior and State Courts.

## 2021 Accomplishments

- As of February 2021, the new virtual/electronic arrest warrant and search warrant system has been used for one year. This new warrant system has given law enforcement the ability to obtain arrest warrants and search warrants faster and more efficiently. Additionally, the new warrant system has made that the Judges are more mobile and accessible to law enforcement during the day and at night when needed. The new warrant system also allows for the immediate delivery of all issued arrest warrants to the necessary parties.
- As of April 2021, the virtual First Appearance Hearing (FAH) system has been in effect for a year. The FAH system allows the Judges and Bryan County Jail more flexibility with conducting virtual hearings on bond for defendants who are in jail. Unlike before this FAH system, allows the Judges to conduct hearings at all hours of the day; thus, making it more flexible to schedule hearings based on the Judges availabilities and daily procedures (and unexpected activities) at the jail. In addition, all the paperwork involved in a FAH is all handled through the FAH system; thus, making it easier for all parties involved.
- Offered virtual hearing procedures created for civil matters to allow the public the opportunity to conduct hearings virtually; thus, dealing with the health safety concerns of all parties.

## 2022 Budget Highlights

- Retirement expense has increase due to the judge becoming a participant in 2022 (employees become participants once employed for 3 years).
- Local supplement pay increase for judges included.

# PUBLIC WORKS

The Bryan County Public Works department maintains all County owned roadway infrastructure and provides the traveling public with safe, reliable and aesthetically pleasing public ways. Public Works construct new roads and perform general civil work on special construction projects as well as reviews and inspects the development plans of private developers. Public Works is also responsible for all County Signs, County Bridges, and maintenance on all County buildings and grounds.

## 2021 Accomplishments

- Hired a new Director, Assistant Director, Roads Superintendent and Stormwater Superintendent.
- Created a Stormwater Maintenance Division which will focus completely on Stormwater Maintenance. The Stormwater division will take a more proactive approach by inspecting and maintaining all drainage canals and drainage infrastructure multiple time per year.
- Disaster Relief Contracts were put in place for Debris Removal, Debris Monitoring, and FEMA Public Assistance Consulting Services.

## 2022 Budget Highlights

- Will be contracting out the mowing and maintenance of county right-of-ways, county roundabouts, and Highway 144. This will allow for the creation of the Stormwater Maintenance Division without adding additional personnel.
- Will focus on creating maintenance schedules for routine maintenance activities such as grading dirt roads, tree trimming, litter collection, facility mowing, and landscaping.

# RECREATION

The Bryan County Department of Parks and Recreation is comprised of two operating divisions. Each location offers the use of their facilities for passive and leisure services to the citizens of Bryan County. Parks and Recreation services are provided in unincorporated Bryan County where they manage vast acres of park land. South Bryan maintains a facilities inventory of three recreation centers, one tennis complex, one pickle ball complex, skate park, dog park, three outdoor basketball courts, three playgrounds, two gymnasiums, and 26 athletic fields; including two AstroTurf fields. # SENIOR CITIZENS

All seniors and family caregivers residing in Bryan County are provided with information and services that promote physical health, mental well-being, and options for living that ensure personal dignity and individual choice. Our goal is to promote the independence and well-being of Bryan County older adults and to provide these individuals and their caregivers with information and access to needed services. Activities at both centers include, but are not limited to health and wellness screenings, education and programming, nutrition education, collaboration with local agencies and businesses to provide guest speakers, entertainment, and resources for our senior clients.

## 2021 Accomplishments

- From January 1 – September 30, 7,417 hot meals have been served to seniors on roll. This is an average of 825 meals per month. Total for year expected to be approximately 9,800.
- 100% Covid-19 vaccination rate for 80 seniors on roll.
- \$14,000 in grant funds were awarded and in conjunction with Activity Equipment and Activities funds. We have installed 3 pieces of outdoor exercise equipment at the recreation parks, for the use of all Bryan County seniors, which is the beginning of our “Center without Walls” activities.
- Richmond Hill Center was awarded grant funds of \$6,105 for the MySeniorCenter system, which assist with notifying seniors in our community of upcoming events and can provided emergency information to them.
- Richmond Hill Center has established a “Center without Walls” program, The Men’s Breakfast Club. This club is for any gentleman in Bryan County, 60 years or older. The breakfast is served from 7:30–9:30 am, twice per month.

## 2022 Budget Highlights

- Increase in retirement expense due to multiple employees becoming participants in 2022.
- Reduction in overtime budget due to 2021 actual overtime.

The Georgia Constitution created the Sheriff's Office, and its duties are grounded in the common law. The Sheriff is the chief law enforcement officer of the county and is ultimately responsible for the delivery of law enforcement services. With a staff of approximately 75, the Bryan County Sheriff's Office currently provides court security for our Superior Court, State Court, Magistrate Court, and the Juvenile Court of Bryan County. In addition, they provide for the overall security of the Bryan County Courthouse. The Bryan County Sheriff's Office monitors sex offenders, investigates and pursues prosecution of offenders in violation. The Bryan County Sheriff's Office not only handles security of the courts, but also enforces all laws within the unincorporated and incorporated areas of the county. The Sheriff's Office operates the Bryan County Detention Center.

## 2021 Accomplishments

- Implemented a new traffic enforcement team.
- Purchased body cameras for all patrol deputies and installed laptops in all patrol vehicles.
- Hired 18 additional deputies, a full-time training officer and a grant writer.
- Implementation and purchase of 4 K-9s and handlers for patrol and traffic.
- Implemented a Bryan County Sheriff's office cell phone app to distribute information regarding crimes and offender's information, traffic on major highways, and serve as a community based relationship between the Sheriff's office and the citizens of Bryan County.
- Implemented a new command staff and rank structure.
- Received grants for 4 laptops and 4 portable alcohol sensors for patrol vehicles.
- Purchased 34 shotguns for patrol vehicles and received a donation of 16 rifles for patrol vehicles.

## 2022 Budget Highlights

- The detention center operation expenditures have been removed from the Sheriff's office budget.
- Includes the addition of 11 positions: 2 traffic deputies, 4 patrol deputies, 4 jail transport deputies and 1 IT position.
- Equipment to be purchased includes: 15 body cameras, 10 tasers, and 30 rifles.
- 14 vehicles are projected to be purchased through a lease purchase agreement with Enterprise.

# STATE COURT

The State Court presides over all criminal cases below the grade of felony and tries civil litigation cases, including medical and legal malpractice, wrongful death, serious personal injury, product liability, and breach of contract cases. State Court Judges also adjudicate misdemeanor criminal cases, including simple battery, DUIs, criminal trespass, and traffic citations.

## 2021 Accomplishments

- State Court remained open without interruption despite COVID-19 restrictions by the implementation of a safety plan and the creation of a virtual courtroom setting.
- Being the first court in the circuit to reopen jury trials through the design and implementation of said safety plan.
- Creation of the first Family Violence Court Program in a non-metropolitan jurisdiction and only the fifth in the State of Georgia.
- Through the Family Violence Court Program, families were provided rehabilitation through treatment for drug and alcohol, anger management, mental health, and financial literacy.
- Established a position for a victim and witness advocate.
- Expanded the existing Pretrial Diversion Program to further reduce recidivism.
- Creation of a modern Bryan State Court website with downloadable forms for attorneys and defendants.
- Dramatically increased the efficiency and volume of criminal and civil cases processed.
- The timeline from arrest to trial was effectively accelerated.
- Wrote a technology bill being carried to legislature.
- Improved and balanced fine schedule.
- Instituted a paperless office system.
- Volunteers to conduct officer training.

## 2022 Budget Highlights

- Salary increases projected for the State Court Judge and Solicitor General.

# SUMMER LUNCH PROGRAM

The Bryan County Summer Food Service Program (SFSP) is a federally funded initiative that provides healthy meals at no cost for children in eligible areas during the summer months. This program has been operational in Bryan County for over 20 years.

Typically there are 18 sites throughout Bryan County, however, in 2021 the summer lunch program provided services at three community locations in Bryan County due to COVID-19. These three locations offered a “grab and go” meal for breakfast and lunch each day. The program also partnered with Bryan County School System and provided breakfast and snack at four schools. This year, the program operated in June and July. A total of 22,063 meals were served in 2021.

## 2021 Accomplishments

- Developed partnership with Bryan County schools to provide meals during “Summer Experience” Program.
- Partnered with United Way of the Coastal Empire and New Beginnings Church to provide weekend “Buddy Bags” to children on Fridays.

The Tax Assessor's Office locates inventories and sets values for all taxable property within Bryan County. The County Assessor is appointed and charged by law with the responsibility of independent oversight and preparation of the annual local property assessments. It is the Bryan County Tax Assessor's responsibility to ensure that the annual tax digest is complete, accurate and submitted by mandated deadlines. The Bryan County Tax Assessor maintains records for all 21,254 real estate parcels and 5,693 personal property accounts in the county and its cities, including valuations, mapping, exemptions, specialized assessments, etc. The Bryan County Tax Assessor ensures all taxable property within the county is returned and assessed for taxes at its fair market value, and is uniformly assessed among taxpayers.

## 2021 Accomplishments

- Increased overall digest by 5.8%. Met all State requirements for Digest Submittal.
- Received favorable State Audit Department final ratio of 39.52.
- Collaborating with Addressing Coordinator to update address database for consistency with 911 and other departments.
- Worked with GIS to map 75 out of 86 subdivision phases from 2015 up to current year.
- In house audit of approximately 100 personal property accounts not filing yearly personal property returns, for verification of homestead exemption status, and all user fees.
- Resolved approximately 265 appeals without forwarding to Board of Equalization.
- In-house revaluation of all property (Residential, Commercial, Industrial and Ag) properties.
- Updated the Board of Assessor Policy and Procedural book.

## 2022 Budget Highlights

- After receiving new aerial photography which captures any improvements not linked with WinGap software, staff will review and measure.
- In house revaluation of entire County.
- Perform yearly personal property audits.

# TAX COMMISSIONER

The Tax Commissioner's Office is established by the Georgia Constitution, and is responsible for every phase of collecting and distributing ad valorem property taxes, titling and registering motor vehicles and mobile homes, and administering homestead exemptions. The office is divided into two divisions: Property Tax Division & Motor Vehicle Division. The overall functions of the office include billing and collecting of ad valorem property taxes, heavy duty equipment, timber, intangible tax, mobile homes and public utilities, processing vehicle tax and registration, insurance and mobile home ownership registrations. Taxes are collected on behalf of the county commission, school board, Georgia Dept. of Revenue, and the cities of Pembroke and Richmond Hill.

## 2021 Accomplishment

- Throughout the Covid-19 pandemic, the Tax Commissioner's office remained fully staffed and operational to personally assist taxpayers. To further promote public safety, taxpayers were able to conduct Tax Office business online, by phone, mail or use of our drop boxes.
- For additional customer convenience, Bryan County taxpayers can now visit kiosks located at Kroger supermarkets in Chatham County for tag renewals and other motor vehicle transactions. We hope to have kiosks located in Richmond Hill at Kroger and Publix in 2022.
- Digest for Tax Year 2021 was submitted and approved by GA DOR on August 24<sup>th</sup> with no issues.
- Approximately 1600 resale and new construction properties (new ownership) were added to our property tax program by staff prior to billing.
- Tax bills were mailed 9/3/2021 with bills due 11/15/2021. We expect to collect 90% by the November 15 due date.
- 99.5% of 2020 taxes have been collected.

# UNINCORPORATED SERVICES

Unincorporated Services are services that are provided primarily for the benefit of residents and property owners in the unincorporated areas and tend to include municipal type services. These services are funded through revenue collected exclusively from the unincorporated areas of the County to ensure equity in taxation and service delivery. The following departments are in the Unincorporated Services Fund:

- Community Development
- Engineering & Inspections
- Fire Protection
- Mosquito Control
- Solid Waste Services

# COMMUNITY DEVELOPMENT

The Bryan County Community Development Department is responsible for reviewing development and site plans and for administering the zoning and subdivision regulations as written in the Bryan County code of ordinances. The department works closely with all the departments in the County to ensure a high standard of development. They are a public planning organization that puts customers first, values partnerships and strives to shape Bryan County as a premier community. Community Development provides information, advice and technical support to Bryan County's citizens, elected officials and Planning Commission to assist them with development decisions, issues and priorities. They are committed to long-term economic vitality, environmental integrity, and the quality development of our community.

## 2021 Accomplishments

- Unified Development Ordinance adopted and implemented.
- Bicycle and Pedestrian Plan started.
- Department is fully digital with permit, plan and application reviews.
- Implemented Code Enforcement abatement program.
- Both building inspectors obtained their Certified Building Official status.
- Amended Capital Improvement Element to Comprehensive Plan.
- Improved webpages (GIS, EMS, Community Development) dedicated to floodplain management.
- Worked with Engineering to implement Capital Recovery Fee programs for Water and Sewer and Traffic Contributions.

## 2022 Budget Highlights

- Funding for Comprehensive Plan Update and Phase II of Bicycle and Pedestrian Plan included.
- Maintaining or reducing administrative costs through reduced postage, copy, and supply costs.
- Added inspector position (entry-level) to ensure department has qualified inspectors long-term.
- Continued funding for abatement assistance included.
- Creation of two new boards: Board of Adjustment and Building & Construction Board of Appeals.

# MOSQUITO CONTROL

The Bryan County Board of Commissioners ensures that during mosquito season, all county roads are sprayed with an environmentally safe insecticide that is non-toxic to humans, while working to repel diseases contained by mosquitoes such as malaria, yellow fever, heart worms, and encephalitis. Bryan County continues to strive to provide the highest quality of life for our residents.

## 2021 Accomplishments

- Replaced one of three mosquito sprayers and performed spray operation on all county roads on a weekly basis.

## 2022 Budget Highlights

- Replacement of one mosquito sprayer included.
- Will be performing spraying operation on all county roads on a weekly basis.
- 2 part-time positions were combined to create 1 full-time position and moved to public works.

# SOLID WASTE SERVICES

In 2021, Bryan County began contracting with Atlantic Waste Services for residential solid waste collection and disposal. Established by County ordinance, each residential dwelling must participate in the trash and recycling program. Every residential household within the county has been provided both a recycling container and a trash container. The annual fees for this service are collected by means of the annual property tax bill. Additional containers per household may be obtained for a residence, however additional containers will incur a monthly charge paid directly to Atlantic Waste Services. More information regarding services can be located on the Atlantic Waste Website: <https://atlanticwaste.com/bryan-county/>

## Convenience Center Drop Off

Bryan County also offers drop off services for bulk items through Atlantic Waste Services at two locations within the County. A bulk rate of \$0.10 per pound is charged at the drop site for this service. Household garbage is not accepted at these location.

## 2021 Accomplishments

- After a RFP was issued in 2020, a new contract was awarded to Atlantic Waste Services to begin March 1, 2021. This new contract saved Bryan County approximately \$400,000 per year. These savings were passed onto residents by reducing the annual solid waste fee by \$20 in 2021.

## 2022 Budget Highlights

- 2022 Annual Solid Waste fee remains the same as 2021 at \$180 per residential dwelling.

## GARBAGE COLLECTION - Green Lid Cart

Garbage collection of “landfill only waste” will be picked up once per week in the green lid cart.

### Acceptable waste shall include:

- Non-hazardous household and commercial refuse (i.e. food scraps, glass bottles, etc.)

### Items that are NOT allowed:

- CONSTRUCTION AND DEMOLITION WASTE
- Hazardous Waste Materials (radioactive waste, extreme acidic or basic chemicals, large liquids waste of 5 gallons more)
- WET paint
- Tires and medical waste greater than 2 pounds per week

# E-911

Bryan County E-911 is a division of the Bryan County Sheriff's Department. The 911 center provides a critical lifeline between the citizens of Bryan County and all emergency personnel. With a staff of 17 full time employees and 2 part time employees, there is always someone available in the 911 call center 24 hours a day, seven days a week. Our 911 Department responds to emergency and non-emergency situations daily, handling on average over 3,300 Calls per month.

## 2021 Accomplishments

- Installation of Rapid SOS on all consoles for location tracking of E911 callers and in car emergency systems.
- Installation of the AirCom app on all consoles for communication and dispatch of the LifeStar helicopter.
- Installation of what3words software to assist with identifying the location of users of text to 911 that are unable to speak to the dispatcher.
- Improvements to the CAD and mapping system; added fire hydrant icons on the CAD for entire county.
- A resource map from Bryan County Emergency Svcs was installed showing response units for each address for faster dispatch and response times.

## 2022 Budget Highlights

- 2 new full-time dispatcher positions included in the budget.
- 2 replacement vehicles are projected to be purchased through a lease purchase agreement with Enterprise Fleet Management.
- An updated service contract for Motorola was approved 9/30/21. The first payment will be due in September 2022.
- Enhancements to E-911 CAD and servers budgeted with funding from ARPA.
- Purchase of a dispatch protocol system with a ProQA program to assist with triage and pre-arrival instructions budgeted with funding from ARPA.

# WATER & SEWER

The Bryan County Water and Sewer System provides citizens with a dependable source of drinking water. The system currently consists of 8 wells and over 60 miles of transmission mains. Bryan County Water and sewer currently services over 1,200 customers located in unincorporated Bryan. Application for new service, current rates, water quality reports and monthly payments can all be accessed through the county website: <https://www.bryancountyga.org>.

## 2021 Accomplishments

- Upgraded several wells with new SCADA systems.
- Expanded the IC WWTF treatment capacity from 40,000 to 95,000 GPD.
- Entered into Sewer Agreement with the City of Richmond Hill to allow for transfer of up to 200,000 GPD of treatment capacity to the City.
- Entered into Sewer Agreement with the City of Savannah to allow for transfer of up to 350,000 GPD of treatment capacity to the City.
- Designed water/sewer infrastructure systems for the North Bryan IDR and the regional sewer force main for the City of Savannah connection.
- Constructed additional LAS site at the South Bryan WWTF.
- Installed electrical upgrades to increase flow at the Waterway Well.

## 2022 Budget Highlights

# TSPLOST

TSPLOST (Transportation Special Purpose Local Option Sales Tax) is an extra 1% sales tax voted on by the citizens of Bryan County to be used on Transportation capital projects and equipment. Bryan County is currently three years into this TSPLOST cycle. Each TSPLOST cycle is five years. The total revenue that can be collected within the current cycle is capped at the amount included in the referendum. It is projected the revenue cap for this TSPLOST cycle will be reached in the third quarter of 2022, therefore a new TSPLOST referendum will be on the ballot in May 2022 for the citizens to vote. The TSPLOST tax is collected on all items subject to sales and use tax, as well as, food and nonalcoholic beverages. TSPLOST is not collected on motor fuels.

# IMPACT FEES

Development Impact Fees provide Bryan County a way to manage the demands placed on County infrastructure by growth from new development in a way that is fair and reasonable without putting an undue financial burden on the current residents, taxpayers, or the development community. Bryan County Development Impact Fees went into effect 4/1/2019. This impact fee is due at the time new building permits are issued. Bryan County Development Impact Fees are currently only imposed on permits issued in the Unincorporated South Bryan County service area. More information about the Bryan County Development Impact Fees can be found on the county website in the Community Development section:

<https://www.bryancountyga.org>.

# ARPA

On March 11, 2021, President Biden signed The American Rescue Plan Act of 2021. This is a \$1.9 trillion stimulus package that is intended to combat the COVID-19 pandemic, including the public health and economic impacts. As part of this plan, \$362 billion in federal fiscal recovery aid has been dedicated for state and local governments, with \$65.1 billion being provided in direct aid to counties. The US Treasury has set restrictions on the uses of these funds. ARPA relief funds received by the county can be spent on the following uses:

- Respond to or mitigate the public health emergency with respect to the COVID-19 emergency or its negative economic impacts.
- Provide government services to the extent of the reduction in revenue.
- Respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the county that are performing such essential work.
- Make necessary investments in water, sewer, or broadband infrastructure.

## BRYAN COUNTY 2022 WATER & SEWER FEE SCHEDULE

**Section 1:** All water and sewer rates for the consumers of the Utility shall be set from time to time by the Utility with the approval of the County.

**Section 2: Effective rates: As of January 1, 2022**

- a. All residential, industrial and commercial consumers will be assessed a \$7.50 administrative fee per meter.
- b. The sewer rates for sanitary sewerage for residential, industrial, and commercial consumers shall be 100% of the monthly water charge (excluding irrigation charges).
- c. The water rates for residential, industrial and commercial consumers with a meter 1 inch or less shall be as follows:

1) WATER RATES (1 inch or less):

<u>GALLONS OF WATER USED</u>	<u>MONTHLY CHARGE</u>
0 - 8,000 gallons	\$24.25 (min monthly)
8,001 - 10,000 gallon	\$6.45 (per thousand gal)
10,001 gallons and over	\$9.85 (per thousand gal)

2) IRRIGATION RATES (1 inch or less)

<u>GALLONS OF WATER USED</u>	<u>MONTHLY CHARGE</u>
0 - 8,000 gallons	\$24.25 (min monthly)
8,001 gallons and over	\$9.85 (per thousand gal)

- d. The minimum monthly water rates for residential, industrial and commercial consumers with water meters in excess of 1 inch are listed below; however, water used in excess of 8,000 gallons and up to 10,000 gallons shall be billed at \$5.75 per thousand gallons. From 10,001 gallons and above the rate shall be \$9.75 per thousand gallons:

<u>WATER METER SIZE</u>	<u>MONTHLY CHARGE</u>
1-1/2"	\$41.77 (min monthly) First 8,000 gals
2"	\$149.20 (min monthly) First 8,000 gals
3"	\$318.22 (min monthly) First 8,000 gals
4"	\$397.68 (min monthly) First 8,000 gals
6"	\$696.17 (min monthly) First 8,000 gals
8"	\$845.32 (min monthly) First 8,000 gals
10"	\$1,292.80 (min monthly) First 8,000 gals
12"	\$1,551.40 (min monthly) First 8,000 gals

**Section 3:** The fire line will be metered and monthly minimum rates for industrial and commercial customers shall be as follows:

<u>WATER FIRE LINE SIZE</u>	<u>MONTHLY CHARGE</u>
1-1/2" - 4"	\$15.90
6"	\$19.85
8"	\$29.85
10"	\$39.75
Above 10 inches	Set by Utility

**Section 4:** Monthly payments are due by the 15<sup>th</sup> of each month. If payments are not received by the 15<sup>th</sup> a 10% late fee will be applied to the account.

As stated in the Bryan County Code of Ordinance (Sec. 30-31; Sec 30-33): any account not paid within 25 days of the bill date may be subject to disconnection. If water service is disconnected due to non-payment, a non-refundable service fee of \$30 will be applied to the account. Water service will not resume until the outstanding balance is paid in full.

- Section 5:** Water meters shall be classified as either “active meters”, “inactive meters”, “canceled meters”, “line extension meters”, or “subdivision meters”. Said meters are further defined as follows:
- a.** “Active meters” are defined as meters that are in use. All “active meters” will be charged on a monthly basis the rates set forth above. If an “active meter” is not used for a period of six (6) months after installation, or if the consumer requests in writing that service be temporarily discontinued, then the meter shall be classified as an “inactive meter” and shall be treated as hereinafter provided. A customer can maintain an “active meter” status by paying a monthly minimum water bill provided for herein.
  - b.** “Inactive meters” are defined as meters that are installed but have not been used by the consumer for a period of six (6) months, or the consumer has notified the Utility in writing to temporarily terminate service. If a meter remains unused for a period of six (6) months, or the consumer requests in writing that service be temporarily terminated, the Utility will seal the meter and declare the meter as an “inactive meter”. If a consumer desires to obtain water service after the meter has been declared inactive, the consumer shall pay the Utility a reconnection fee of \$150.00, together with any previous bill assessed against said meter, prior to obtaining any additional service from the Utility. Once the connection fee and any past due bills have been paid, the meter will be reclassified as an “active meter” as defined above.
  - c.** “Canceled meters” are defined as meters that are installed but are not used for a period of twelve (12) months, or the consumer has notified the Utility that the consumer does not desire to obtain any further water service from the Utility. If a meter is declared a “canceled meter”, the meter will be removed and the connection sealed. A consumer desiring reconnection of a “canceled meter” shall pay all applicable costs to reconnect, including the cost of the meter.

- d. “Line extension meters” are defined as meters purchased to aid in line extensions but the consumer has not requested that the meter be installed. At the time of the purchase of the meter, the Utility anticipated that the consumer would connect on to the water system within a reasonable time. A number of “line extension meters” have been purchased, but the consumer has not requested that the meter be installed. Due to the consumer’s failure to connect on to the line extension, pay the minimum monthly water bill, the Utility cannot recoup the cost of the line as originally anticipated. Any consumer holding a line extension meter who fails to connect on within six (6) months shall be assessed an additional connection fee of \$150.00 at the time of connection. The consumer may avoid the payment of the additional connection fee by paying the minimum monthly water bill until such time as the meter is connected, at which time the meter will be classified as an “active meter” as defined above.
