## **Update 2: April 5 Tornado Recovery**

A State of Emergency remains in effect for damaged areas of North Bryan County. Search and Rescue crews are further sweeping the area of damage in the daylight. There has been significant damage to the Park Place and Homestead Drive neighborhoods, Hendrix Park, Black Creek Golf Club, and the areas of Pembroke including the County complex. Avoid these areas as you go about your day.

No further injuries have been found this morning.

Bryan County is in the process of surveying the damage. If your home is damaged in the impacted area, please send a photo with the address to the Bryan County Fire and Emergency Services Facebook or to [mkent@bryan-county.org](mailto:mkent@bryan-county.org). This will help the County speed the survey to identify damage and get residents back to their properties sooner.

Donations should be directed Ellabell United Methodist Church at 3279 GA-204, Ellabell.

There are downed power lines in the path of the storm. Do not touch downed power lines and report them to the power companies. Further updates will be released as they become available.

If you need non-emergency help or to request a welfare check, please call 912 858- INFO. Please be patient as this event is still ongoing.
