**BRYAN COUNTY  
BOARD OF COMMISSIONERS  
SERVICE PHILOSOPHY**

To provide to the residents of Bryan County, high quality essential services and as many other services as tax dollars will allow with priorities established by the Board of Commissioners; to spend and account for tax dollars in a responsible manner; to be responsive to the needs and concerns of the citizens, as well as the Board of Commissioners; to conduct business in an open and professional manner and with no favoritism to anyone; and an umbrella over all of this is integrity.

**PRINCIPALS OF PUBLIC SERVICE ETHICS**

\*INTEREST: Treat your office as a public trust, only using the power and resources to advance public interests and not to attain personal benefit or pursue any other private interest incompatible with the public good.

\*OBJECTIVE JUDGMENT: Employ independent, objective judgment in performing your duties, deciding all matters on their merits, free from avoidable conflicts of interest and both real and apparent influences.

\*ACCOUNTABILITY: Assure that government is conducted openly, equitably, and honorably in a manner that permits the citizenry to make informed judgments and hold government officials accountable.

\*DEMOCRATIC LEADERSHIP: Honor and respect the principles and spirit of representative democracy and set a positive example of good citizenship by scrupulously observing the letter and spirit of laws and rules.

\*RESPECTABILITY: Safeguard public confidence in the integrity of government by being honest, fair, caring and respectful and by avoiding conduct creating the appearance of impropriety or which is otherwise unbecoming a public official.
