

**APPLICATION FOR CERTIFICATION OF IMPACT FEE**

*Pursuant to Ordinance 2019-1 "Development Impact Fee Ordinance of Bryan County, Georgia" Section 5.4, an applicant may request a certification of an impact fee. The impact fee calculation shall be valid for 180 days from date of certification even if impact fees are increased during this time period. Certification is only permitted for specific projects.*

Applicant Contact Information:

Phone Number: \_\_\_\_\_

Email: \_\_\_\_\_

Address: \_\_\_\_\_

Name of Project: \_\_\_\_\_

Property Address: \_\_\_\_\_

Property Parcel No.: \_\_\_\_\_

Using the attached schedule of fees, provide a description of the proposed project including the applicable land use category and unit of measure. If the attached schedule does not have a land use category for the proposed project, identify the closest land use category. For multi-use projects, provide a breakdown for each land use category.

**Applicant's Acknowledgment**

Applicant hereby acknowledges the information provided is accurate, and if the information changes, the applicant will be required to submit a new/revised application. Should Bryan County determine the Certification of Impact Fee is based on false or misleading information, Bryan County will pursue all legal remedies, including but not limited to refusing to issue a Certificate of Occupancy until any impact fees due are paid.
