**AFFIDAVIT FOR  
RESIDENTIAL SWIMMING POOL BARRIERS**

I, \_\_\_\_\_ being the legal owner of \_\_\_\_\_,  
(Print Name) (Property Address)

for which a swimming pool permit is being applied for through the Bryan County Community Development Department, understand that a pool barrier complying with Chapter 3 - Section 305 of the International Swimming Pool and Spa Code, 2018 Edition is required. I acknowledge that I have read and understand the requirements of Section 305, and hereby affirm that I will utilize one of the following methods to obtain compliance:

1. The pool will be equipped with a lockable safety cover complying with ASTM F1346 per Section 305.01 (exception); or
2. A new, or existing, continuous barrier complying with Sections 305.2.1 through 305.7 will be installed around the entire perimeter of the pool.

I further acknowledge that failure to have one of the above installed at the time of the final inspection will result in an automatic denial of the inspection.
