APPLICATION FOR FEE IN LIEU OF PROTECTED TREE MITIGATION

Submit this request with the appropriate development application (clearing and grading, construction drawings, site development) through the County's digital plan review portal. This form is to be used when requesting Fee in Lieu of for replacement of Protected Trees removed during development of residential or non-residential sites. (UDO §114-634(f)). Fee in Lieu of is not allowed for required plantings to meet minimum canopy coverage requirements. If minimum canopy coverage cannot be satisfied, contact the Community Development Department about requesting a variance.

A Landscape Architect's cost estimate must be submitted with this request identifying the current cost, at wholesale value, of purchasing and installing the required trees to standards of the American Nursery and Landscape Association and maintenance of one (1) year. The cost estimate shall be signed and sealed.
